

Emily has an upcoming history essay due today and she does not want to forget about it

She adds a task for her history essay, setting a reminder for after dinner on her Quacker app

*Oh! my history essay! I
almost forgot, thankfully
I made a reminder*

*After dinner, Emily receives a notification from the Quacker app:
"Quack! Your essay is due soon!"*

Emily completes her task and the duck jumps excitedly, celebrating her task completion
